Technical Parameters

Specification	DAT-430AT- UT1
Air pressure	0.5-0.6 MPa
Power	1200W
Drive	Sewing
Cutting angle	cut straight
Wolume	1600MM th 75MM He ht 1450MM
Capacity	12-16 pieces per minute for 500MM length (as an example)
Welta	AC220V
System	Programmable system
Sewing	Bartack machine
Working	50MM Length 100-1000MM
width	Folded length 15-50MM
Weight	270KG
