

LOIVA

LA 20

Automatic Labeling Machine

Introduction

1. The output can be preset, and it can be automatically reminded when the output is reached;
2. 2 times the big hook, reducing the number of bobbin changes;
3. The whole roll label saves the manual cutting, folding, ironing and other processes;
4. Automatic identification of LOGO, trademark functions, accurate positioning;
5. Just tap the panel parameters, the label length can be adjusted arbitrarily;
6. High degree of automation, no skilled labor is required.

Imported SMC water vapor separation device

2 times larger hook, higher efficiency

Automatic alignment, accurate positioning
